

BOY SCOUTS OF AMERICA®
COLUMBIA-MONTOUR COUNCIL

July 2021

Geisinger

Dear Friends of Scouting Supporter,

You are cordially invited to the Columbia-Montour Council Boy Scouts of America Distinguished Citizen Dinner sponsored by Geisinger.

The third part of the Scout Law is *A Scout is Helpful*. The past year has been a very real challenge for the Columbia-Montour Council whereas we were not able to have our annual dinner in 2020. Therefore, to that end, we would like to recognize honorees from 2020 and 2021. This year's honorees truly exemplify the quality of *A Scout is Helpful*. For this reason, the Columbia-Montour Council has chosen to honor Kenneth A. Holdren and David M. Kovach with our Distinguished Citizen Award, Geisinger and Sekisui Kydex, LLC with our Distinguished Corporate Citizen Award, and Tim Wagner, representing the Emergency Medical Technicians, and Mike Monico with our Volunteer of the Year Award. A brief description of each of the recipients is attached for your perusal.

We are proud to announce these honorees and hope you will be able to attend the dinner honoring them. The event will be held on **Thursday, October 21, 2021 at the Pine Barn Inn**, in Danville, gathering at 5:30 PM with dinner being served at 6:15 PM. Enclosed is a reservation form to this gala event. Your attendance at this event will help us honor the honorees and support the Scouting Program in the Columbia-Montour Council. In this way we can continue to provide the scouting program to the youth and adult volunteers in the Council.

Sincerely,

Paul B. Knox, Scout Executive
